

Annual Wisconsin Pain Research Day

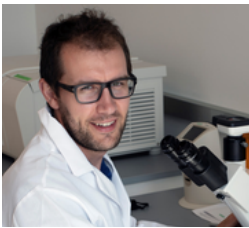

Friday, October 9th, 2026
8:00 am – 5:00 pm

Medical College of Wisconsin
9200 W Wisconsin Ave
Milwaukee, WI 53226

Join us for the 2nd annual one-day conference that brings together experts from basic, translational, and clinical studies dedicated to advancing pain research!

Plenary Speaker

Geoffroy Laumet, PhD, Michigan State University

Dr. Laumet's lab focuses on understanding the communication between neurons and immune cells and how such communication contributes to the development and resolution of chronic pain.

Abstracts: Oral and Poster Presentations

Submit at <https://bit.ly/4vcwDMD>

To be considered for an 8-10 minute oral presentation, submit by **September 1** at 11:59 pm. Abstracts submitted after September 1 until **September 29** at 11:59pm will be considered only for a poster presentation.
